

certificate
no. **BAU 23149**
dated 2023-08-30

Translation In any case, the German original shall prevail.

EuroTest Certificate

Name and address of the holder of the certificate: (customer)
LTW Tiefbauvertriebs GmbH
Holter Weg 11
41836 Hückelhoven
GERMANY

Product designation: **Slide Rail System - Single Slide Rail**

Type: EG FP Rail
up to L=4,00 m Md=156 kNm

Testing based on: EN 13331-2:2002
EN 13331-1:2002
DIN 4124:2012

Test report: 2023 0073 09

Further details: Max permissible earth pressure: see instructions for use and operation.

Intended use according to the manufacturer's instructions for use and operation.

Subsequent certificate to number BAU 18120-ET

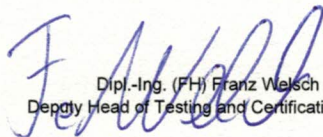

The manufacturer is also Certificate holder.

The type tested complies with the test basis specified above.

The holder of the certificate is entitled to affix the ET-mark shown overleaf to the products complying with the type tested.

The present certificate including the right to affix the ET-mark is valid until: **2028-06-09**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.

Dipl.-Ing. (FH) Franz Welsch
Deputy Head of Testing and Certification Body

Product designation: **Shoring strut with stepless adjustment**

Type: Shoring strut ST 340

Testing based on: EN 13331-2:2002
EN 13331-1:2002
DIN 4124:2012

Test report:

Further details: The enlargement of the strut length may be prepared respectively by only one extension part.
Additional certificate to number: 15214-ET.

Manufacturer:
LTW Tiefbauvertriebs GmbH
Holter Weg 11, 41836 Hückelhoven

The type tested complies with the test basis specified above.
The holder of the certificate is entitled to affix the ET-mark shown overleaf to the products complying with the type tested.

The present certificate including the right to affix the ET-mark is valid until: **2025-11-30**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.

Product designation: **Slide rail paneel - VS 100**

Type: VS 100
for paneel lengths of up to: L= 4,02 m
for paneel heights of up to: 2,38 m
for on-stick paneel heights of up to: 1,37m und 1,57 m

Testing based on: EN 13331-2:2002
EN 13331-1:2002
DIN 4124:2012

Test report:

Further details: The permissible earth pressure loading is to be taken from the
manufacturers manual as a function of the system dimensions.
According to assembly instructions of manufacturer.
Additional certificate to number: 14064-ET.

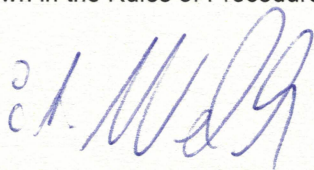

The manufacturer is also Certificate holder

The type tested complies with the test basis specified above.

The holder of the certificate is entitled to affix the ET-mark shown overleaf to the products
complying with the type tested.

The present certificate including the right to affix the ET-mark is valid until: **2024-03-17**

Further provisions concerning the validity, the extension of the validity and other conditions
are laid down in the Rules of Procedure for Testing and Certification.
